Tribulation

By Rosie Ebaugh Thompson

O.K. Here we are. Tribulation. This is it. This is war. Tribulation, you will not claim me. I will overcome. You will not claim Dad. Dad will overcome. Some of you know that my Dad, David Ebaugh has started a new chapter in his personal "Volume of the Book." It is strongly affecting each one of us. He is at war, and so are we. This war is spiritual and has manifested itself as what the Dr.'s are calling Sarcomatoid Renal Cell Carcinoma, or RCC, a.k.a. kidney cancer. We have seen the CT Scan with the 6 ½" x 6 ½" mass in him. However, we know the truth, "by His stripes, Dad has been healed" Isa. 53:5. We must fight each battle anew and stay focused on the end result. Dad will overcome.

It is our strong suspicions that each one of us is going through something horrific right now. So let's review the battle plans.

Issues: You have been issued these supplies to help you deal with issues:

You may order by description or code #.

- 1) Armor # Eph 6:11
- 2) Sword # Eph 6:17
- 3) Dance # Psa 149:3

- 4) Fruit # Gal 5:22&23
- 5) Grace # Eph 4:7
- 6) Mercy # Rom 11:31
- 7) Angels # Heb 1:14
- 8) Requisition forms # Phil 4:6
- 9) Discernment # 1 Cor 12:10

Eph 6:11-13 The whole armor gives us endurance, don't forget one piece. You need it all.

Eph 6:14 starts with the "cup." Protect your privates. Protect your intimate relationship with God. Protect those beneath you, the privates.

So as not to leave out the women, be sure to note we have all been given a breastplate of righteousness. We must all protect our nurturing abilities, as well as our heart.

Satan has designed fiery darts, which are usually seen as "words." He directs them at our hearts. If he can wound our heart, it will be easy to drag our spirit down. So put on your breastplate and don't let anyone "cut you to the heart."

Eph 6:15 **Boots.** Protect your peace. If need be, with knee high steel toe boots.

Eph 6:16 **Shield.** Don't let those fiery darts "words" get to you. Forget it, you've got more important things to think about.

Eph 6:17 **Helmet.** The engrafted word is saving your head right now (Jas 1:21). The Holy Spirit is teaching and bringing all things to your remembrance (John 14:26). Your helmet will protect your brain, so that you don't go nuts. Your helmet is specially equipped with a device that can retrieve songs memorized by heart, which can pull you back into focus.

Eph 6:17b **Sword.** This is the Spirit of the Word of God. It is not necessary to quote chapter and verse, though at times that can be helpful. It is the Spirit of the Word of God that provides accuracy. Remember, your adversary knows the word too, probably better than you do. It is the Letter of the Law that he twists. The Spirit of the Word of God is for protection and for attack. Make sure you can carry this heavy weapon at all times.

Psa 149:3,6,7,8,9 **Dance.** Dance is another weapon. When you dance make sure you do it in the Spirit of the Word of God (Psa 149:6). This will begin God's vengeance, punishments, and bindings to those who have control over you, who are not in service to the Most High God (Psa 149:7).

Gal 5:22&23 **Fruit.** Your daily rations are fruit. You have an endless supply. Eat as much as you want whenever you want, in any combination. They are as follows: love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, and temperance. Eat these up till you are what you eat.

Rom 11:31 **Mercy.** Mercy is what we give to others; grace is what we get from God, to deal with others. They are very similar in nature, but different in application. Try to always grant mercy to those who do not have as high a rank as you have. Try also to grant mercy to those in a higher rank than you. When you are not able to grant mercy, ask for grace. We also get mercy from God when we have missed the mark.

Eph 4:7 **Grace.** Use grace when dealing with the thorn in your side, otherwise known as a pain in the rear.

Grace and mercy come from and follow the example of the Most High, El Elyon, and should be directed at humans. Law, punishment, and death are to be directed at the Destroyer.

According to Webster's (old) dictionary, grace is a mind pleasing to God.

Heb 1:14 **Angels.** Angels are sent to be ministering spirits to the heirs of salvation. Be careful. Do not worship angels. Worship Jesus and God. Use angels respectfully. God sent them to you, to minister to you. They minister to your needs. If you need it, ask your angel to get it, and bring it to you.

We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of darkness of this world, against spiritual wickedness in high places (Eph 6:12). We are not at war with humans; we are at war with unseen spiritual forces. Discernment is your scope, to zoom in on your enemy.

Since your enemy is spirit, it would be wise to build a relationship with the angel God has given you, so that you can give detailed directions to your angel during battle.

Start by asking God to reveal the name of your angel to you. Then begin a relationship with your angel, so that it is already established when you NEED him/her/it/whatever.

Phil 4:6 requisition forms. Easily available anywhere at anytime, a.k.a. prayer.

You may request new armor if yours is damaged.

You may request more fruit if you run out.

You may request grace, mercy, and angels if you want more.

You may request anything else you want. Remember ask, seek, and knock (Matt 7:7). After you ask, you need to look for it, after you have looked, DO something to get it.

Next, I want you to meet your comrades. We are known as the Army of God. We come in many infantries (Denominations), but we are all fighting for the same King. If someone you know battles a little differently than you do, it is because they were trained by a different Officer (Pastor). We need every one of us, with all our differences to defeat the enemy.

Finally, you need to know the enemy. The enemy is always a destroyer, murderer, and liar. He twists the truth until it seems to make sense. The enemy disguises himself in physical ways, but he is spiritual. Always remember we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of darkness of this world, against spiritual wickedness in high places. Eph. 6:2.

If you are battling finances, go to the root, go to the source. Tell the devil to take his hands off your wallet.

Planting a seed is a good way to get a productive garden. Tithing is not taxes to the church. It is a spiritual garden that manifests physically.

If you are unhealthy, go to the root. Cut off the destroyer using every single supply you were issued.

Pray for healing.

In fact, use all your supplies every minute of every day and night because we are at war. Sleep in your armor and with your sword.

Curse the fig tree. Rebuke Satan.

Curse the symptoms. Rebuke the disease.

Practically, I would like to tell you how to meditate on His word day and night. Psa 1:2. Have you ever awakened singing a stupid commercial? You were meditating on that commercial in the night. Just change the record that you put in your repeater. Before you go to sleep, sing to yourself, or out loud, a scriptural type of song. It is best if it is easy and repeats itself often. Chances are you'll wake up singing the same song after you have practiced a couple of times. Presto! Now you are meditating day and Night!

If your soul troubles you, you are not alone. It bothered our Big Brother, Jesus, too. Mark 14:34 "My soul is exceeding sorrowful unto death: tarry ye here and watch." Pray. Pray real hard. That is what Jesus did.

Evil cannot dwell in the midst of praise and worship to our King.

God dwells in the midst of our Praises

Even if they are theologically incorrect. As proved by the last 2000 years.

1Cor 12:10 Discernment. As for your spirit, you need discernment. Ask for it. When you say to yourself, "Wonder what got into me?" Think about it. If it was destructive, then cast the destroyer out of yourself.

If you can, talk to your spouse and family, so they don't get all weirded out, and so they can help. Tell them that you are cleaning the house spiritually, and you need their help. We use salt as a symbol because it was used by the priests in the Old Testament to cleanse a house of leprosy. We start at one end of the house and move to the other end. We clean (pray) in every nook and cranny. We pray. We put on discernment, and we "feel" for anything that is not in compliance with the Love of Jesus. We "cast out" in the name of Jesus, symbolically cleanse, by tossing a pinch of salt into the "dirty" area, and in Jesus name impart the opposite of what we just cast out. For instance, if we "find" a spirit of crying, we impart laughter in Jesus name.

Cleansing needs to be done regularly, like spring cleaning, touch up jobs (because of bringing something home from a yard sale, or after mistakenly watching a raunchy TV show, or commercial), and vacuuming. Clean spiritually, just as often as you should clean physically.

Phil 2:14&15. Do all things without murmurings and disputing: That ye may be blameless and harmless, the sons of God, without rebuke, in the midst of a crooked and perverse nation, among whom ye shine as lights in the world.

Please ask God the Most High to give life, health, appetite, and strength to David Ebaugh. Please pray often.

This ministry does not exist apart from your gifts.

Rev 15:2&3. And I saw as it were a sea of glass mingled with fire: and them that had gotten the victory over the beast, and over his image, and over his mark, and over the number of his name, stand on the sea of glass, having the harps of God. And they sing the song of Moses the servant of God, and the song of the Lamb, saying Great and marvelous are thy works, Lord God Almighty: just and true are thy ways, thou King of saints.

Hurt, Pain, Forgiveness

Hurt, Pain, Health

Hurt, Pain, Get my eyes off myself

Help someone else get rid of Hurt, Pain

Death is knocking at the Door.

We won't let him in.

Death is knocking at the Door.

We tell him Go away.

Death is knocking at the Door.

Only in the Love of Jesus,

Will he be so uncomfortable,

That he will leave?

Love of Jesus

Love of Jesus

How will I find the

Love of Jesus

The Love of Jesus is not a pretty ring.

The Love of Jesus is not part time.

The Love of Jesus is not a blanket.

The Love of Jesus makes me see

What is pretty inside others.

The Love of Jesus continues

Even when others get ugly.

The Love of Jesus doesn't just cover me,

It encompasses me inside and out like air.
