Storm Coming

"Nearing The Storm"

It has taken us nearly 2,000 years to get from the start of events, or the opening of the first seal, to the end of the fifth seal - - but it will take less than one generation to get from the sixth seal to the seventh trumpet.

I think we are that generation. We are very close to that time. The restoration is occurring in the fifth seal. The pouring out of the Spirit and the restoration of truth to the church is happening right now. This is the end time.
