

YOUR PREACHER

If your own preacher and/or denomination does not teach about the Bible subject of USURY, you might say to yourself, "I wonder why! Could it be that our own group does not show us information like this because we also are slaves to the Internat.....? No. Of course not. Our leaders could never be tricked. - I hope."

Dear student, if this be the case, I think that your hope is in vain.

FUTURE ?

What about the future? The book of Revelation makes it very clear that the USURY system will fail.

Here's the technical detail of why.

At this point in time every human being on the face of the earth owes everything that they possess to the International Bankers. If they don't have an actual mortgage of their own to secure their debt - then they owe everything because of their own share of the national debt that their own government has forced upon them through law and deficit spending

Historically, every 200 years every national government has failed and a new government has arisen like a Phoenix from the ashes.

If we predict from past history we see that very soon there will be blood on the streets in every city of the world as the poor debtors of the world engage in rebellion, revolution and/or anarchy. It is the only temporal way that wealth has been redistributed in the past. But, our GOD has another way.

GOD'S PLAN

Our GOD, understanding the USURY process, and knowing beforehand that we would not obey His commands regarding USURY, set up the Year of JUBILEE every 50 years to redistribute the wealth.

Israel has never ever followed our GOD's command concerning the Year of Jubilee.

JUBILEE

"Thou shall cause the trumpet of JUBILEE to sound (at the Feast of Tabernacles)... every 50 years...ye shall return every man to his possession...if the possession has been sold, it shall be returned...the price of a possession shall be counted according to the closeness to the time of the Jubilee...the land shall not be sold forever...take no USURY...all debts shall be canceled...hired servants shall be returned to their families ...every person shall be set at liberty..." (Leviticus 25 & 27).

We have been commanded by our GOD, to redistribute the wealth of our nation every 50 years. None of the children of Israel have ever kept this command in their own land or in a land in which they were captive or in a land in which they chose to live.

The force of the command to keep the Year of Jubilee is the same force as the 10 Commandments, but it has been ignored. It has never, never been obeyed.

There may be something significant in the fact that all governments fail after a period of four Jubilees (50+50+50+50=200 years).

LAND SABBATH

Associated with the command to keep the Jubilee, in the same chapter (Lev. 25) is the command to observe the sabbath of the land.

"Six years thou shall sow thy field...the seventh year shall be a sabbath of rest..." (Leviticus 25).

Just as history reveals that we have never kept the Year of Jubilee, the book of Chronicles expressly says that the seventh year sabbath of the land was also ignored.

GOD KEEPS COUNT

But GOD kept count of the unkept sabbaths and forced Israel to keep His law through calamity and captivity,

"To fulfil the word of the Lord by the mouth of Jeremiah until the land had enjoyed her sabbaths; for as long as she lay desolate she kept sabbath, to fulfil three score and ten (70) years." (II Chronicles 36:21)

After this prophecy was completely fulfilled, Daniel knew that it was time to leave Babylon (USURY) and to return to Jerusalem (PEACE). (See Daniel 9:2).

IS GOD STILL COUNTING?

We must ask ourselves the question, "If GOD kept track of the unkept sabbaths of the land and then forced them to be kept sequentially, one after the other, through national disaster and captivity in BABYLON, - is GOD keeping track of OUR unkept Jubilees, and will He use the same pattern to force US to keep them?"

I believe that the answer is - yes!

70 SABBATH YEARS
HAD PASSED...
THE LAND
HAD TO REST.

SHADOW PROPHECY

Let us be careful that we do not fall into the trap of thinking that our GOD requires us to keep the LETTER of His USURY laws in this age. He requires us to keep the SPIRIT.

As we contemplate possible predictions we must recognize that our GOD does not repeat events of history exactly as they have happened. So we look at the Jubilee as an O.T. type and shadow of things to come, not an exact pattern. (See Hebrews chap. 8 & 10, Col. 2:16-17).

For the law having a SHADOW of good things to come, and not the very image of the things." (Heb. 10:1)

"Holiday, or new moon, or sabbath day, which are a SHADOW of things to come" (Col. 4:16-17).

PATTERN PROPHECY

If Usher (a famous historian) is right in saying that Israel entered the promised land in 1451 B.C., and if we add years consisting of 70 times 50 (every 50 years is a year of Jubilee) to that date, then it predicts the failure of the USURY system in the year 2049-50 A.D.

70 JUBILEE YEARS
HAVE PASSED...
ALL DEBTS
MUST BE
CANCELED

But some Bible students disagree, stating that the Year of Jubilee occurs in sequence every 49 years (the last year of the cycle being the same year as the first year of the next cycle).

If that is the case, then 1979-80 is the year predicted for the failure of the USURY system.

70 x 49 = 3430 years
-1451 B.C., Entered prop-
1979 ised land.
+ 1 Change from
1980 B.C. to A.D.

I think that this prophecy formula has a lot of merit, and events such as recent bank failures (people in Ohio still can't get their own money out of S & L's, now Maryland) all support the idea.

I believe that the present failure of the money system, the high interest rates, the failure of governments, the high taxes, are all signs that we are at the start of a period that will redistribute the wealth of the world.

Godless communism tried to redistribute the wealth and failed.

Our GOD's years of Jubilee shall succeed.

U.S. GOVERNMENT FAILING

Just recently our own government here in the U.S.A. forced USURY upon Christians. Now the IRS demands that we charge USURY when we sell our house and/or land on contract. We used to have the right to elect if we would charge USURY or not. That right was taken away 2 - 3 years ago and now Christians must charge USURY or go to jail. The IRS will take away from you everything that you own first, then throw you in jail. Never mind the fact that your Bible warns you against it! Your present government forces you into it.

The present economic crisis has forced our own government of the USA to take new drastic, horrendous acts against its own citizens in order to support its evil deficit spending policies that have been based on USURY.

The train track to destruction was laid in 1932 (F.D.R.) for the powerful locomotive named USURY (deficit spending) to accelerate the train cars of a sluggish nation and produce a generation of high speed spenders. Now the locomotive of USURY is speeding crazily out of control on to its own annihilation, pulling our government behind it. A plaque on the side of the locomotive says that it was designed 2500 years earlier in Babylon.

By the way, when I say that our U.S. Government is going down the tubes some people mistakenly think that I believe that our nation is failing. I do not believe that.

I believe that the nation of the U.S.A. is our GOD's gift to the world. However, I think that the government of the U.S.A. has become corrupted beyond all practical repair. I see a new government coming for this nation of people.

WHAT'S WRONG WITH THE WORLD?

The cavernous appetite of the beast USURY system now demands that it be fed more money than the whole world can produce. USURY has eaten up the world.

That means that if the International Bankers could force every person on the face of the earth to work all year long and then take away every cent that they earned - there still would not be enough money on the face of this earth to just pay back the interest that we owe them.

That means that the whole world must continue on its present course of deficit spending (borrowing) and that the whole world is now under the control of the International Bankers.

A PLAN

I have come across only ONE plan designed to bring a bloodless relief to our world, based on these principles.

WORTHLESS MONEY

1.) Repudiate all debt by printing masses of worthless paper money (like the money in your wallet - just more of it) and using it to repay the debts. That's the way most nations have done it in the past.

GOLDEN GRAIN

2.) Set up a new monetary system based on the standard value of golden grain rather than the old system of golden metal. That's the new/old idea. For the last 3000 years governments have returned back to money systems based on golden metal but there is a limit to how much gold there is in the world. There is no limit to the amount of wealth that a government can collect and control when wealth is measured by grain, the product of cooperation between our GOD and man. Joseph proved that in Egypt 3700 years ago.

KEEP CONTROL

3.) Keep control of the new system out of the hands of people and groups who understand and practice USURY. The framers of our constitution understood that when they wrote, Article 1, section 8, "Congress shall have the power to coin money and regulate the value thereof." See to it, that in the future our legislators guard that power and that they do not give it away to FAMILIES and GROUPS of people, like happened in 1913 (Federal Reserve System).

HOPE

4.) Hope for the sunrise tomorrow, after the showers have passed. Whispering hope! How welcome thy voice! Making my heart, in its sorrow - REJOICE!

Pure Bible study gives us a lot of practical things to think about.

THE BIBLE
HAS THE ANSWER
AND GIVES
DEFINITE HOPE.

A VISION

Our GOD showed me a vision of a pit of alligators. They were in a ferocious fight as they crawled all over each other. They bit and ate each other until only one giant alligator was left. In the twisted mass of alligator parts he saw a giant tail and he bit it, not knowing that it was his own. In a contorted position and mistakenly thinking another alligator was biting him, he bit down more ferociously on his own tail and thereby ate himself up.

USURY, from the Hebrew word NESHEK means "A BITE."

The author of this article on USURY is a charter member of President Reagan's PRESIDENTIAL TASK FORCE and is the subject of a biographical record in Marquis, WHO'S WHO IN FINANCE AND INDUSTRY. Rev. David Ebaugh is a scientist and engineer, formerly with IBM and GOODYEAR AEROSPACE, who now spends his full time teaching BIBLE at churches and seminars in the U.S.A. and the world.
