WHAT'S GOING ON?

THE JOY OF THE DAY
MAKES ALL THE PREPARATIONS
WORTH IT.

THE YEAR OF THE WEDDING

Well, did you ever help prepare for a wedding? A big wedding? If you have you know all the frustrations, all the misunderstandings, all the heartaches that go into it. You know that at times it's only because of the joy the wedding day promises that you keep going. Many times you want to forget the whole thing, to give it all up but the goal is a great one and it promises rewards worth sacrificing for. When the day finally arrives the beauty of it all and the celebrating overshadow and make humorous all the trials suffered in its preparation.

What does this have to do with the world situation? I would like to suggest to you that (knowingly or not) we are preparing for the greatest wedding of all history. It is the uniting of soul and spirit. This wedding will bring us into union with God and allow us to know His fullness. All of creation is reflecting what is going on in the heavens.

WE'RE
EXPECTING
A WEDDING
OF SOUL
AND SPIRIT

Just stop a minute and think about what is happening in the areas we first mentioned: government, technology, economy and religion.

ALL OF CREATION IS
REFLECTING WHAT IS
HAPPENING IN THE
SPIRITUAL REALM.

DID YOU EVER MAKE ALL THE PREPARATIONS FOR A WEDDING? LOTS OF FRUSTRATIONS, HUH? BUT WHEN THE BIG EVENT CAME WOW! ALL THE TROUBLES WERE FORGOTTEN IN THE JOY OF THE DAY.

1977 THE YEAR OF THE WEDDING

These are exciting times. Everything is changing, and changing quickly. There are many subtle and not so subtle transformations taking place in government, technology, economy, religion and almost every other sector of our society. There's just a whole lot of hustle and bustle - a mixture of confusion, hope and despair everywhere.

In government there is a lot of turmoil and confusion but there is also much hope. Something has been changing the past few years. Government has been notorious for shady dealings and dishonesty. But since Watergate it's becoming much harder for politicians to do anything without having it brought out for everyone to see. Our new administration is even speaking out against Soviet suppression of human rights. It looks as if morality is being wed with politics -

GOVERNMENT

détente may suffer on the international scene and there is already much disruption on the home scene, but it certainly does help you lift up your head and look toward the future with pride and hope.

In the field of technology some unheard of things are going on. Science has always held aloof from the supernatural, either denying or ridiculing it. But lately we find scientists seriously studying psychic phenomena. They are even willing to take the word of psychics who claim to be able to predict natural disasters like earthquakes. The Menninger Foundation and others are taking sincere interest in people gifted with healing and other paranormal abilities. There is a wedding

TECHNOLOGY

between strict scientific analysis and the miraculous. It proves to be a great breakthrough and a chance for some real understanding of the supernatural.

Our economy is also changing. The great economists and economic advisors are no longer able to tell what is happening. Things are not going according to well established

THE WEDDING

patterns. For instance, inflation is rising at a steady pace yet people are buying more & more.

ECONOMY

We believe the outcome of this confusing state of affairs will be that economists (or maybe some one else) will be forced to tell the truth about economics. The system of central banks and international financing that is strangling the economies of the free world nations will have to be exposed.

The American people will have to be told the truth about the rising prices of oil and other import products. The Arab countries aren't robbing us, we're suffering from the deflated value of the U.S. dollar on the international market. Our dollar has only 1/5 the value ON THE INTERNATIONAL MARKET that

ON THE INTERNATIONAL MARKET

5 BARRELS = \$25.00

1 BARREL = \$25.00

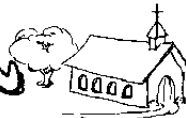

HOW COME?

it had in 1967. Therefore we must be prepared to pay five times more for imported products than we then paid. The oil (and coffee etc.) producers are only asking to keep the price of their products at the same level it's been. The way it is reported to us it sounds as though they keep demanding more and more.

We're looking for a brand new money system to appear soon as a result of the wedding of conservative thought and liberal power in this area. We'll soon have a money system based on true wealth and gain, on golden grain, rather than on supplies of gold and silver that are dwindling and worthless.

RELIGION

Religion is another area where there is great up-

heaval. Two phenomena are occurring simultaneously. One the one hand Charismatic and Conservative Christianity are enjoying a tremendous growth. Along side of this is a tremendous growth and interest in Eastern religions, meditation and mind control.

WE HAVE TO GET THE TWO GOING TOGETHER

These things have been taboo to Christians but we feel we must now be willing to explore our minds and learn the difference between spirit and soul. We must learn what our Eastern friends have discovered in the realm of mental (soulish) power and unite it with our own knowledge of the spirit. A wedding of soul and spirit is soon to take place.

All of creation is preparing for this great wedding. Presently we are suffering the hurt and frustration that go along with that preparation. Knowing what is happening should bring you great relief and understanding. It's all in God's plan. Things are happening and flowing right on schedule.

A few years ago Dave was studying the eighth chapter of Daniel and it was revealed to him that the life of Alexander the Great was of key importance in understanding when the truth, host and sanctuary will be restored by God (vs. 10-14). Chapter eight contains a vision received by Daniel and its interpretation given by Gabriel. You will see it all had to do with the fall of the Medio-Persian Empire ruled by Darius and the rise of the Greek Empire ruled by Alexander the Great. Daniel saw the rise of Alexander two hundred years before it occurred.

Verse 14 reads, "And he said unto me, Unto two thousand and three hundred days shall the sanctuary be cleansed."

If we take 2300 years, because it tells us in Ezekiel 4

THE WEDDING

DANIEL 8 - ALEXANDER THE GREAT

DANIEL 8:14 - AND HE SAID UNTO ME 'UNTO 2300 DAYS THEN...'

that a year is as a day, Subtract 334, because that's the year Alexander moved against Darius, then add one, because there is no year zero on the calendar and we're going from B.C. to A.D., we get the year 1967.

$2300 - 334 + 1 = 1967$

ADD 1 (ONE) BECAUSE GOING FROM B.C. TO A.D. THERE IS NO YEAR ZERO

Thus the prophecy says that in 1967 the sanctuary will be cleansed. And we know that on June 7, 1967 the holy places in Jerusalem were taken from the Moslems and returned to the Jews just as prophesied 2300 years before.

ALEXANDER WAS SPOKEN OF SYMBOLICALLY IN DANIEL 8 AS A ONE HORNED GOAT. COINS OF HIS TIME PICTURED HIM WITH ONE HORN PROTRUDING FROM HIS FOREHEAD.

The dates projected from Alexanders life have a bearing on things in at least three areas: the nation of Israel, the body of Christ and each individual Christian.

ALEXANDER, THE GOAT, WAS AN ANTI-CHRIST. HE WAS A DESTROYER.

JESUS, THE LAMB, IS A BUILDER. BOTH MEN LIVED 33 1/2 YEARS BOTH WERE WORLD CONQUERERS.

As we have seen 1967 marked the beginning of the end. But things happened earlier than that. The year of Alexander's birth coincides with the year 1945. $2300 - 356 + 1 = 1945$. 1945 marked the beginning of the restoration of truth.

It was 1945 that the Charismatic, Latter Rain, End-Time, and Sons of God movements began and these all began to restore truth to the Church. It was in 1945 that William Branham, a forest ranger from Jefferson City, Indiana received a supernatural visitation from the Spirit of God. As a result of that

visitation he laid hands on many of the leaders of the movements just mentioned and sent them into the ministry.

In a parallel way something else happened in 1945. It was the end of WWII and ships with human cargo left Europe and tied up in a corner of the Mediterranean. Jewish immigrants were fleeing to the promised land to establish a new nation, the nation of Israel.

1945 < A NATION AND A MOVEMENT WERE BORN.

So you see in 1945 a nation and a movement were born. Israel did not legally become a nation until 1948 and many of the End-Time moves were not organized until a couple of years after that, but still they were born in 1945.

Something very significant may also have taken place in your own life at that time to bring you where you are today.

1976

Last year, 1976, was the year Alexander was wounded in the lungs with an arrow. He became overly confident in himself and almost single-handedly tried to take a city with thousands of people in it. He re-

ceived a setback in his attempt to conquer the world. Last year you may have received a terrible blow, not necessarily physical, but something that hurt badly. Whereas Alexander's wound was a humiliation to him and weakened him, your 'wound' was received to give you strength and bring you closer to God.

1977 WEDDING BELLS ARE RINGING

In the year 324 B.C., coinciding with 1977, Alexander married a Persian princess. At the same time and at the same ceremony 80 of his officers married 80 Persian princesses and 10,000 of his men married 10,000 Persian girls. This was the largest marriage ever performed in recorded history. It was to symbolize the uniting of two cultures.

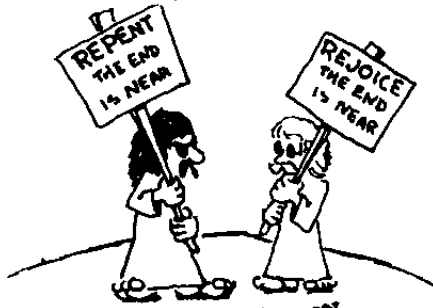

Actually this marriage was an insult to the Persian people. His men had no personal interest in those girls. What it was was a huge legitimized rape.

In our case we are looking for something quite a bit more edifying. We're expecting a marriage that will have positive and lasting results. We have listed some of the marriages we're looking for.

Personally we're expecting a wedding of our soul and spirit in 1977. This will help us to grow closer to God in our understanding and living.

THE WEDDING

If this has been a hectic year for you so far - DON'T DESPAIR. Things are going to get better. There may be troubles now but it's all in preparation for a happier day.

**IT ALL DEPENDS ON

We believe we're living in the last days of this present system of things. We're looking for change and we hope this understanding of what's taking place will encourage you to keep pressing on to enjoy the fruit of all your labor. In fact we hope you might even enjoy your labor.

We love you and pray God's very best for you!

See you next month with more about AL & our economy.

REJOICE!

REMEMBER... TO
COUNT IT ALL JOY
DOESN'T MEAN IT
HAS TO BE FUN
WHEN IT'S HAPPENING!
