ANOTHER SCRIPTURE PROVEN TO BE TRUE... SCIENTISTS FIND THE

4 CORNERS OF THE EARTH

NOW...WHAT YA GONNA DO WHEN THE WIND STOPS BLOWIN' ?

**STOP! Don't hurt the earth
TILL we've sealed the
servants of our God!**

REVELATION 7:1-3

7:1. AND AFTER THESE THINGS I SAW FOUR ANGELS STANDING ON THE FOUR CORNERS OF THE EARTH, HOLDING THE FOUR WINDS OF THE EARTH, THAT THE WINDS SHOULD NOT BLOW ON THE EARTH NOR ON THE SEA, NOR ON ANY TREE.
2. AND I SAW ANOTHER ANGEL ASCENDING FROM THE EAST, HAVING THE SEAL OF THE LIVING GOD; AND HE CRIED WITH A LOUD VOICE TO THE FOUR ANGELS, TO WHOM IT WAS GIVEN TO HURT THE EARTH AND THE SEA,
3. SAYING, "HURT NOT THE EARTH, NEITHER THE SEA, NOR THE TREES TILL WE HAVE SEALED THE SERVANTS OF OUR GOD IN THEIR FOREHEADS."

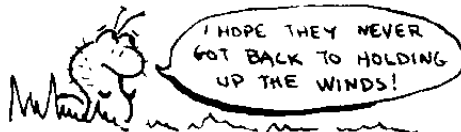

4 CORNERS

The above scripture is part of the description of what happens at the opening of the sixth seal (Rev. 6:12-17). You know from our writings that we believe we are now in a transition period, witnessing the opening of the sixth seal and that we are part of the generation that will live to see the reign of Christ on earth and the fulfillment of all Bible prophecy. (Matt. 24:34)

THIS GENERATION MAY SEE THE FULFILLMENT OF ALL PROPHECY.

If you'll read Revelation 7:1-3 very carefully you'll see that four angels are to stand on the **FOUR CORNERS OF THE EARTH** and hold back the four winds. But, just as they get started, another angel comes out of the east screaming "Stop, don't hurt the earth TILL we seal the servants of our God in their foreheads."

In other words the four winds were just about held up and then they were released again. We believe the winter of 1976-77 showed much evidence that this very event took place and that this could be the time for the sealing of the servants of God - (WOW!!! that's us!).

IT MAY BE TIME FOR US TO BE SEALED!

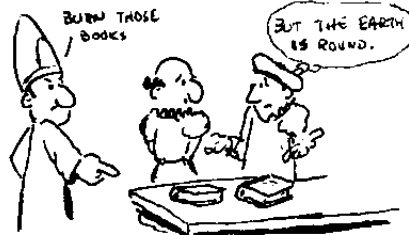

You say you find all this hard to believe? After all, to begin with, everyone knows the earth doesn't have **FOUR CORNERS**. How can we believe any scripture if part of it isn't true?

DOES ANYONE REALLY BELIEVE THE EARTH HAS 4 CORNERS?

Well, lets hold up here for a minute. You know 500 years or so ago this was a good text to use to prove the world was flat. The Pope gave ole Copernicus and Galileo and probably lots of other lesser known scientists and explorers a pretty rough time with this one. They'd say, "hey, according to our calculations the earth is round." And he'd say "Slow down there boys, look at Revelation 7:1." They'd say, "Okay." Then they'd read it and he'd say, "Now, what has four corners?" And they'd say, "Umm, a table top?" And he'd say, "That's it! Case closed, the earth is flat just like a table top with four corners. Now get out of here and burn all those silly books you've been writing."

REV. 7:1 USED TO BE A GOOD TEXT TO PROVE THE WORLD WAS FLAT.

Thank God for scientists. They aren't afraid to step in the way of tradition. Now they've made the church look pretty silly for a long time. No one seriously believes any more that the earth is flat and many theologians just kind of hang their heads when **THE FOUR CORNERS OF THE EARTH** are mentioned. Or they try to prove it is only symbolic of something else.

Well, scientists have proven once again the **THE BIBLE IS ABSOLUTELY CORRECT - THE EARTH DOES HAVE FOUR CORNERS**. In fact Science News Letter for June 19, 1965 carried an article proving this very thing. Only in our day and age could this be proven.

The article reads in part: "THE EARTH HAS FOUR CORNERS, MEASUREMENTS OF EARTH ORBITING SATELLITES HAVE SHOWN." This is absolutely thrilling. Every time we come across something like this it just builds our faith and hope more and more. Our Bible is a fascinating book, we can believe, we can trust it. True science and the Bible do not clash.

FIRST, SCIENTISTS PROVED THE EARTH IS ROUND....

(10 MANY THEOLOGIAN'S DISMAY.)

NOW, SCIENTISTS HAVE PROVEN

THE EARTH HAS 4 CORNERS!
(AND WE THINK ITS PRETTY NEAT!)

We'd like to throw in a couple more scriptures here just to show how neat the Bible is. First, way back in Isaiah 40:22 "The circle of the earth is talked about. The Jews knew, hundreds of years before Christ that the earth was basically round. Now we see the authors of the New Testament even knew it was a circle with four corners, a fact that could not be proven until 2,000 years later in **OUR GENERATION**. Some people are pretty smug because of our present day technology and know how. They think the writers of the Bible didn't know what they were talking about when it comes to scientific data. But every day we find something new that proves to us they had uncanny knowledge of all kinds of data. What other conclusion is there but that the Bible is inspired by God.

THE WRITERS OF THE BIBLE HAD TO BE INSPIRED.

Next, in the Psalms (Psalm 33:7) it speaks of God heaping up the waters. Now that is exactly what the **FOUR CORNERS OF THE EARTH** are made up of, heaped up water.

THE BIBLE TELLS US...

1. THE EARTH IS ROUND.

(ISAIAH 40:22)

2. THE EARTH HAS 4 CORNERS.

(REV. 7:1)

3. GOD HEAPED UP THE WATERS

(PSALM 33:7)

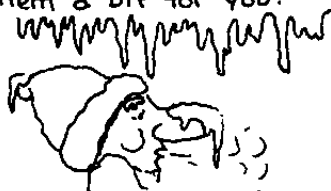

ONLY IN OUR AGE COULD ALL THIS BE PROVEN.

Let's read from the Science News Letter again. "THE HIGH POINTS EACH COVER SEVERAL THOUSAND SQUARE MILES OF THE EARTH'S SURFACE. THEY ARE 220 FEET HIGHER THAN THEY WOULD BE IF THE EARTH WERE EXACTLY SPHERICAL. THE LOW AREAS BETWEEN THE HIGH POINTS ARE ABOUT 253 FEET BELOW WHAT WOULD BE EXPECTED IF THE WORLD WERE PRECISELY ROUND. THE FOUR CORNERED, OR PYRAMID-LIKE, DESIGN WAS FOUND BY CALCULATING THE CHANGES IN THE ORBITS OF GLOBE GIRDLING SATELLITES."

We're working on a book on this subject so we can figure where the water should stop coming up (to predict the new coast lines). But our purposes now will be limited to only certain areas of the globe and discussion that is not highly technical. (Watch out for our new book)

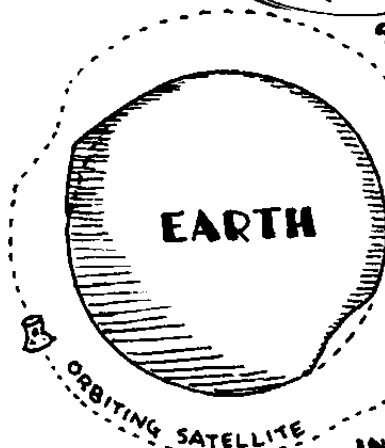

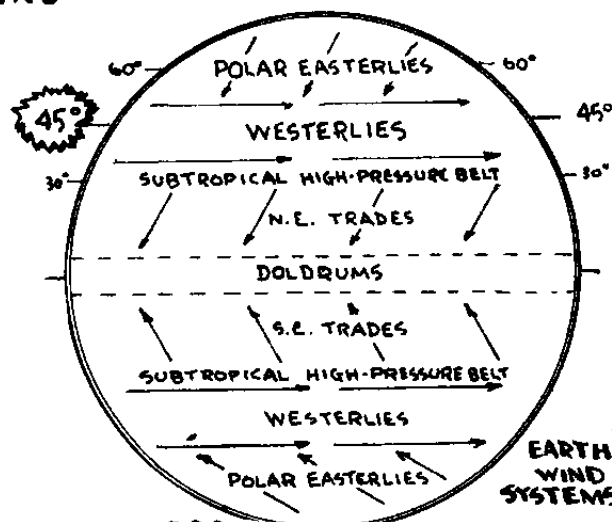

We've mentioned a few things already that are real mind blowers and we'd like to elaborate on them a bit for you.

THE EXTREMELY COLD WINTER OF 76-77 WERE EVIDENCE THAT REV. 7:1-3 MAY BE FULFILLED.

We said the winter of 76-77 showed evidence that the four winds were being withheld for a short time. If you don't know anything at all about jet streams and air currents, withholding the wind may not sound like such a bad thing (remember though the angel out of the east said, "Hurt not the earth - Rev. 7:2). Everyone has memories of nice sunny calm days with no wind blowing - everything just still and quiet. Well, it might be like that after every thing settles down, but withholding the four winds from the four corners of the earth will not produce calmness or serenity. It will for one thing allow polar air to drift much farther south than it normally does - causing bitter cold and freezing temperatures all the way to Florida - just like it did last winter. Meteorologists have been talking for months now about shifting of the jet streams and its effect on world weather conditions.

The diagram above is taken from the Encyclopedia Britanica and shows very symmetrically the earth's jet streams. Now, look at the 45° parallel line. It runs right across the boarder between the U.S. and Canada. Imagine if winds blowing across there were ever stopped or shifted south what would happen? Those Polar Easterlies would just blow right down across the U.S., exactly what happened in the winter of 76-77 when they dipped to the Baja Peninsula of California. As we said, this diagram is extremely simplified. The major winds blowing upon the earth are not nearly as uniform as shown.

SCIENTISTS CAN TELL WHEN AN EARTH ORBITING SATELLITE IS OFF COURSE EVEN $\frac{1}{60}$ " INCH. VARYING MASS IN THE EARTH CAUSES FLUX IN GRAVITATIONAL PULLS ON SATELLITES, THUS HUMPS & DIPS IN THE PLOTTED, REVEALING THE FOUR CORNERS OF THE EARTH. THE DIAGRAM SHOWS LARGER MASSES CAUSE GREATER PULL (VICE VERSA).

That's one consequence. But only in this marvelous age could scientists detect even more far reaching effects that the winds have upon the earth. Winds blowing down upon the earth are causing low spots in the ocean. We are interested in two of the four low spots the satellites detected in their orbits. One spot is located about a thousand miles off the west coast of the U.S. The other is a few hundred miles off the east coast.

These spots are 253 feet below normal sea level. Imagine being able to detect a dip of 253 ft. in an ocean 6,000 miles wide. Or, coming at it another way, determining there are 253 feet missing on a line 8,000 miles long (the diameter of the earth is 8,000 miles).

Only with extraordinarily precise measuring equipment could any difference be seen. Only in this day and age could it be revealed. No generation before us could possibly know other than by divine revelation.

TRY THIS SIMPLE EXPERIMENT.

If you take a bowl of water and blow down gently upon it you can see that it causes a dip in the water. The displaced water causes a hump or heaping up at another point.

In our own Harrisburg area river gauges reveal that when a 10MPH wind blows west to east across the Susquehanna River it causes the water on the East shore to rise two inches above the water on the west shore. This is in an area only one half mile wide. You can see how great a displacement of water there would be in the width of the ocean.

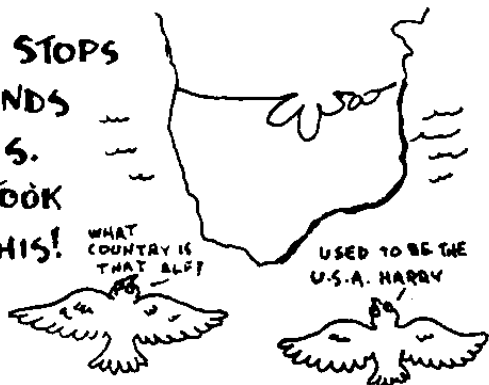

We have drawn an exaggerated view of a cross section of the U.S., showing the dips off our east and west coasts. As you can see, dry land on each of our coasts extends into the dips. When the wind is withheld the water is going to seek its own level. Both of our coasts, at some places extending hundreds of miles inland are going to be under water. According to our calculations.... when this happens the water level at the California Coast will raise 74 feet. New York will be 200 feet under water, Florida -157ft, Washington D.C. -212ft.

BY BLOWING UPON THE WATERS GOD CARVED OUT THE U.S.

We believe God created the U.S. for a specific time and purpose. By blowing (breath, spirit) upon the waters He actually carved the United States out of the Atlantic and Pacific Oceans. We have forgotten our roots and beginnings. Our forefathers came to this land seeking religious freedom. If our courts continue to attack our exercise of public display of religious freedom then God is not obliged to keep His Spirit (breath, wind) upon us. He may remove it at any time.

IF GOD STOPS THE WINDS THE U.S. MAY LOOK LIKE THIS!

If He does and the winds are withheld suddenly the effects will be catastrophic. Tidal waves will whip across our land. There will be great earthquakes and every mountain and island will be moved out of its place.

Does this all sound terrible and horrid and awful? Well, it is, but lets stop and think about it a minute. **THIS MESSAGE IS REALLY GOOD NEWS.** Good news you say? Yea! Remember when the four angels started to withhold the four winds another angel came along and shouted "Woa! Don't do that TILL we seal the servants of our God in their foreheads" (REV.7:3). Now that is good news. When we see the winds shifting, when weather patterns around the world BEGIN to go crazy, like they have lately, it could very well be the sign that we are about to be sealed in our foreheads and protected forever and ever from harm. We'll receive new minds, new bodies - The Works!

You see, our hope is in Jesus Christ alone. It is not in any physical location. We'll not be able to escape to the mountains or hide in the wilderness. The destruction caused by the withholding of the four winds will be far too far reaching for anyone to know where to go to escape from it.

OUR HOPE IS IN JESUS CHRIST. THERE WILL BE NO PLACE TO HIDE.

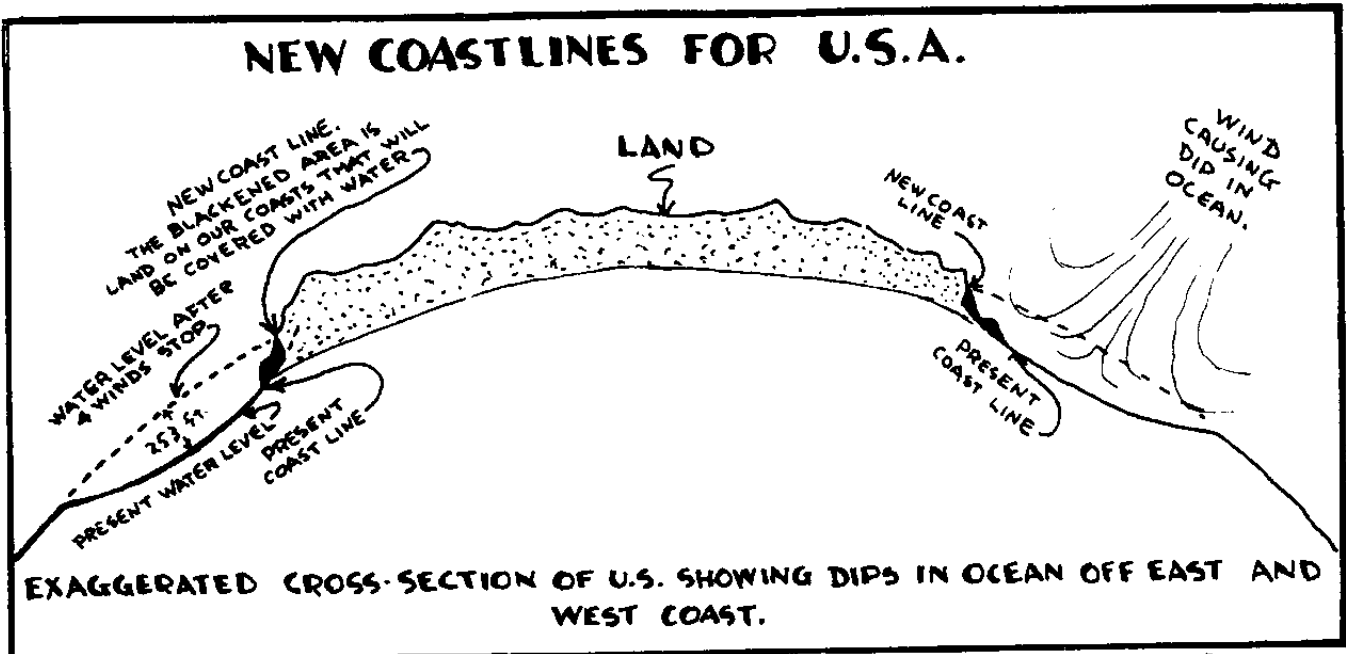

We are not going to be raptured out of the trouble. I don't have to go into the "why nots?" here. We've proven it with scripture after scripture in our tapes, past Monarchs and booklets. It's a fact... we are going to be here... but, we shall overcome!

What is our destiny? Lets read it in the 91st Psalm.

1. He that dwelleth in the secret place of the most High shall abide under the shadow of the Almighty.
2. I will say of the Lord, He is my refuge and my fortress; my God; in him will trust.
3. Surely He shall deliver thee from the snare of the fowler, and from the noisome pestilence.
4. He shall cover thee with his feathers, and under His wings shalt thou trust: his truth shall be thy shield and buckler.
5. Thou shalt not be afraid for the terror by night; nor for the arrow that flieth by day;
6. Nor for the pestilence that walketh in the darkness; nor for the destruction that wasteth at noonday.
7. A thousand shall fall at thy side, and ten thousand at thy right hand; but it shall not come nigh thee.
8. Only with thine eyes shalt thou behold and see the reward of the wicked.

9. Because thou hast made the Lord, which is my refuge, even the most High, thy habitation;

10. There shall no evil befall thee, neither shall any plague come nigh thy dwelling.

11. For He shall give His angels charge over thee, to keep thee in all thy ways.

12. They shall bear thee up in their hands, lest thou dash thy foot against a stone.

13. Thou shalt tread upon the lion and adder: the young lion and dragon shalt thou trample under feet.

14. Because he hath set his love upon me, therefore will I deliver him: I will set him on high, because he hath known my name.

15. He shall call upon me and I shall answer him: I will be with him in trouble, I will deliver him, and honour him.

16. With long life will I satisfy him, and shew him my salvation.

You say you're not ready, of course you're not ready. God is the potter, we're only the clay. He has to do the molding. He has to change us, remold us, form us into the image of Christ. He will, He promises to do it. It's our hope. The Bible tells us He will. The Bible told us the earth has four corners and we all snickered, kind of embarrassed like, we knew better, we knew the earth was round. But lo and behold, science comes along & proves the Bible is right.

WHEN THE TIME COMES WE'LL HAVE ALL WE NEED TO GO THROUGH ANY TROUBLE.

WE'LL HAVE NEW MINDS. NEW BODIES - THE WORKS!

Well, in a like manner the Bible says we have the mind of Christ (1 Cor 2:16).. Well, we all snicker cause we know better. But at the right time it will come forth and we'll know it. The Sons of God will be manifest to the world. The creation will cease its groaning (Rom. 8:22) and shout for joy.

"Ye shall go out with joy and be led forth with peace. The mountains and hills shall break forth before thee with singing, and all the trees of the field shall clap their hands. Instead of the thorn shall come up the fir tree, and instead of the briar shall come up the myrtle tree: and it shall be to the Lord for a name, for an everlasting sign that shall not be cut off." (Isaiah 55:12-14)

"Let the sea roar, and the fulness thereof; the world and they that dwell therein. Let the floods clap their hands; let the hills be joyful together before the Lord; for He cometh to judge the earth; with righteousness shall He judge the world and the people with equity." (Psalm 98:8,9)

We have nothing to fear from God because of things that are to come upon the earth. We should rather have a healthy awe of His continual presence among us. God is not willing that any should perish but that all should come to repentance (2 Pet. 3:9).

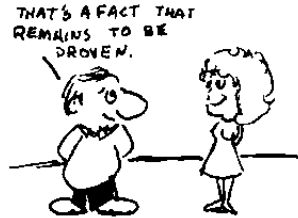

This is a tremendous time to be alive. The stresses upon each of us may be great, just like the stresses upon the earth but, you see, everything is primed to let loose for the big finale. God is going to do a good work in us. If you feel like you're about to go to pieces - rejoice! because your salvation is very near at hand.

Out of destruction will arise a new heaven and a new earth. And out of your own turmoil will arise a new man or woman - one who is prepared to rule and reign with Christ for a thousand years. (Rev. 20:4,6)

4 CORNERS

We will be around during and after the calamities spoken of in Revelation. We're still here at the blowing of the fifth trumpet in Rev. 9:1 because the locusts that are let up out of the bottomless pit are only given power to hurt men who don't have the seal of God (Rev. 9:4). This implies that those who are sealed are still here. We believe this generation will live to see it all.

**WE ARE GOING
TO RULE AND
REIGN WITH
CHRIST!
(REV. 20:4-6)**

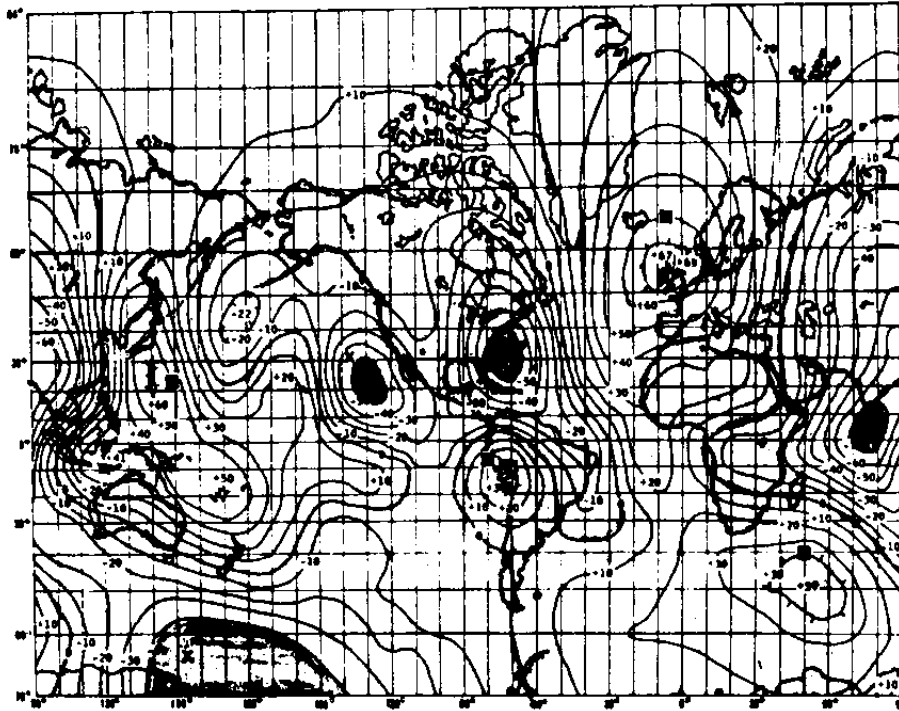

This may all sound unbelievable yet who would ever believe the world has four corners? But it is a proven fact. Sometimes our hope runs kind of thin and we wonder how in the world we can ever believe we'll live to rule and reign with Christ, yet it's also a fact, only it's waiting to be proven. "If God is for, who (or what) can be against us (Rom. 8:31)?" □

FROM "THE KEY TO TRIBULATION" By DAVID REBAUGH
CONTINUE TO CHANGE !!

The wonderful fact is that He is changing you. You are not the same as you were yesterday. Today you're different. You are seeing new things in the Scriptures; you are moving on in the Spirit. You are not camping somewhere, staying at some old truth revealed 50, 60, 100, or even 10 years ago. You are constantly in the Word; constantly in prayer and fasting and asking God to change and make you what you ought to be. Don't expect everyone to have arrived at this degree of perfection. But everyone who has been called according to God, from before the foundation of the world, is moving on and is being changed. It is just like a school-room: Some are in the first grade, some in the fourth and some in the 12th. You are moving on, being changed, seeing new truths. You are being moved upon by the Holy Spirit, and the Holy Spirit is taking control of various phases of your lives. If you have felt this tug in your heart, if you have felt the move of the spirit to change your mind about various things, then begin to investigate. Always remember, everything good that happens is based upon the Word of God, and God's Word is pure and true and will not change. But churches teach both the Word of God and tradition, and the two don't always agree; they aren't necessarily the same. Therefore, be very careful to analyze and be certain your belief is based on the Word of God and not on church or denominational traditions.

4 CORNERS

CORNERED EARTH—Measurements made by orbiting satellites have shown that the earth has four corners. This new fact was discovered by scientists at Johns Hopkins Applied Physics Laboratory in Silver Spring, Md. The squares on the map indicate the high points or corners and the four x's indicate the low areas.

GEOPHYSICS

Earth Has Four Corners

► THE EARTH has four corners, measurements made of earth-circling satellites have shown.

The high points each cover several thousand square miles of the earth's surface. They are 220 feet higher than they would be if the earth were exactly spherical.

The low areas between the high points are about 253 feet below what would be expected if the world were precisely round. The four-cornered, or pyramide-like, design was found by calculating the changes in the orbits of globe-girdling satellites.

At the center of the high points, the satellites were pulled downward a few hundred feet by the unexpectedly high gravity.

The new findings give the earth four known, superimposed shapes:

1. It bulges at the equator, as has been known for a long time.
2. It is slightly pear-shaped, with the narrow end in the Arctic and the broad base in the Antarctic.
3. The earth's equator is egg-shaped, not circular.
4. It has four high points, roughly of pyramid shape.

One of earth's high points centers over Ireland in the Northern Hemisphere and sprawls northward toward the pole. Another extends across the equator from New Guinea northward toward Japan. A third corner is south of Africa centered about half-way to Antarctica, and the fourth cor-

ner of the pyramid is west of South America, with the high point off Peru.

The new figure for earth was found by scientists at Johns Hopkins Applied Physics Laboratory in Silver Spring, Md., working under a contract for the U.S. Navy's Bureau of Naval Weapons. Dr. Robert R. Newton, with Drs. William H. Guier and George C. Weiffenbach, directed the studies.

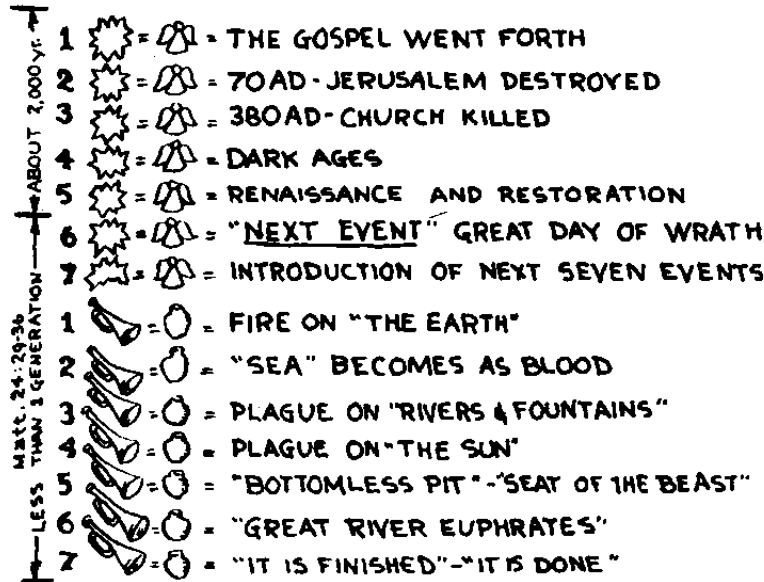

Ever since Magellan proved that the earth is round, scientists have been trying to prove that he was wrong. Although they have been successful, the imperfections from a sphere are minor considering the earth's vast size, nearly 25,000 miles around the equator, with an area of nearly 197 million square miles.

THIS IS THE ARTICLE
FROM "SCIENCE NEWS-
LETTER" THAT MADE
US STAND UP AND
TAKE NOTICE!
WHAT A FABULOUS
AGE WE LIVE IN!

STORM COMING

"NEARING THE STORM"

It has taken us nearly 2,000 years to get from the start of events, or the opening of the first seal, to the end of the fifth seal - - but it will take less than one generation to get from the sixth seal to the seventh trumpet.

I think we are that generation. We are very close to that time. The restoration is occurring in the fifth seal. The pouring out of the Spirit and the restoration of truth to the church is happening right now. This is the end time. If I'm wrong about us being that generation, then it will not hurt a bit to believe it anyway - - but if I'm right then everybody had better get ready!

Look unto the fields. The harvest time is already here. The fields are white unto harvest. God is pouring out His Spirit upon people today! Right now! And we are having some of that which Christians had nearly 2,000 years ago. We are working hard because this is the harvest time, here and now. But the storm (sixth seal) is coming.

And if we don't hurry, the storm will overtake us and we will not have harvested all the wheat (people) God wants us to get into the barn.

It is so important for us to see the reason for jet airplanes; and television; and radio; and printing presses. They are all given to us as tools so that we can hurry and bring in the harvest right now.

Of course, the Holy Spirit is the real prime mover of the whole thing. "It's not by might, nor by power, but by my Spirit, saith the Lord of Hosts."

("What! Know ye not that your bodies are the temple of the Holy Ghost?")

(CONTINUED ON PAGE 4)

4 CORNERS

(CONTINUED FROM PAGE 8)

The Holy Ghost needs your body to use as a harvest hand in this end time. The Bible teaches us that we are the temples of the Holy Ghost and it is through us that the Holy Ghost operates. I believe that the sixth seal is about to open. Everywhere we turn there are indications this is true. For this reason we should all read and study the sixth seal.

For after all, how many times does a coincidence have to occur before it becomes apparent it is more than just a coincidence? Jesus spoke in Matthew 24th Chapter about each one of the signs involved in the opening of the sixth seal, and obviously he must be speaking of the same tremendous event.

Further, whenever we read of the sixth seal (Rev. 6:12) we should also remember to read Matthew 24:29-36 as well as the double and parallel sixth angel messenger in Rev. 14:17-20

The sixth angel's message is the same feeling of wrath and catastrophe as is the message of the sixth seal:

Rev. 14:17-20

17 And another angel came out of the temple which is in heaven, he also having a sharp sickle.

18 And another angel came out from the altar, which had power over fire; and cried with a loud cry to him that had the sharp sickle, saying, Thrust in thy sharp sickle, and gather the clusters of the vine of the earth; for her grapes are fully ripe.

19 And the angel thrust in his sickle into the earth, and gathered the vine of the earth, and cast it into the great winepress of the wrath of God.

20 And the winepress was trodden without the city, and blood came out of the winepress, even unto the horse bridles, by the space of a thousand and six hundred furlongs.

The sixth seal refers to the wrath of the Lamb and in a double or parallel way the sixth angel refers to the wrath of God. □

THIS IS AN EXCERPT FROM OUR BOOK "THE KEY TO THE BOOK OF REVELATION." IT WILL BE OF GREAT INTEREST TO YOU. AFTER READING IT REVELATION PROPHECY WILL OPEN UP TO YOU AS IT NEVER HAS BEFORE.
