### **FUND RAISING**

**Q. Where's my MONARCH? Why haven't you sent my MONARCH? Did you drop my name from the MONARCH mailing list? I haven't received a MONARCH for a year. Did the Post Office goof up my name or address?**

A. The last MONARCH we sent was in October 1999. We send MONARCHS once a month when we have enough money to pay the bills. When we don't we don't.

For more than **thirty years** we have provided full time ministry to the Body of Christ without ever placing a financial burden on anyone. **We have never asked for money for this ministry from anyone.** My lectures are free and my books are free. I have never taught a Bible lesson for which I prepared less than 4 hours -- usually much more time than that. I don't know how to do any more for the body of believers, receivers, and conceivers.

### **PRAYED AND PAID**

When the money we received was not enough to pay for the mailing of a MONARCH Betty and I prayed and then we paid the difference out of our own pockets. We are out of money now so we can't do that anymore.

### **THINGS CHANGE**

*To every thing there is a season, and a **time** to every purpose under the heaven: 5 A **time** to cast away (precious) stones, and a **time** to gather (precious) stones together; a **time** to embrace, and a **time** to refrain from embracing. Ecclesiastes 3:1*

**Now is the time for you to consider sending us some money.**

Even though I have asked our EL ELYON to let this cup pass from me in the matter of asking you for money, I have asked EL SHADDAI for enough money to pay for a building large enough to have regular Bible classes in a comfortable setting. What a conflict! I have asked EL SHADDAI to show you what part you are to play and how much you should give to make it become manifest. Please also pray about it.

**Please send some money to the DAVID EBAUGH BIBLE SCHOOL.**

The vision is to provide a school environment where all working people can have the chance to study the Bible with us on weekends while they continue to work and produce at home during the week.

Yes. The office will be open on weekdays. Visitors can browse our books and watch video productions of our Bible lessons. The book- store will contain materials from well known speakers who teach a supporting word from the Bible.

The vision is to have a rally each Friday night, Bible teaching all day Saturday, and a summary meeting on Sunday. Personal testimonies, and confirming teachings from guest teachers will be included.

Each lesson will be recorded on video. Everyone will have a chance to attend Bible classes, to study books and audio tapes, and watch video shows of lessons they missed.

For those who want, essay tests will lead to either: 1) Exhorter, or 2) License, or

3) Ordination. It will take a while to get organized for that. Many will attend for self-edification rather than a formal reason. All will be welcome and well served.

The school will be located near a shopping center with motels and restaurants.

Harrisburg is less than 4 hours from 1/2 the total population of the U.S.A. So we should be able to well serve a lot of people from this location.

This vision is going to take a lot of money. I see it as similar to the time God told Moses to build the Tabernacle in the wilderness. Moses said:

*Take ye from among you an offering unto the LORD: whosoever is of a **willing heart**, let him bring it, an offering of the LORD; gold, and silver, and brass. Exodus 35:5*

*And they came, every one whose **heart stirred him up**, and every one whom his **spirit made willing**, and they brought the LORD'S offering to the work of the **tabernacle** of the congregation, and for all his service. Exodus 35:21*

*The children of Israel brought a **willing offering** unto the LORD, every man and woman, whose **heart made them willing** to bring for all manner of work, which the LORD had commanded to be made by the hand of Moses. Exodus 35:29*

Father, we ask you to breath a fresh wind of the Holy Spirit into our nostrils and make of us a **willing** new corporate man.

This vision was given to me 30 years ago. I know that the amazing grace of God has kept us alive for this day.

In October 1982, angels in the sky over Baltimore gave me the commission to place EL ELYON on billboards throughout this land. It will take a lot of our time and work. The new building will provide a center and workplace for fulfilling the task.

Along the way to the manifestation of the Bible School we will use some of the money you send to us to pay some present bills and to reprint the books THIRD SALVATION and NAMES OF GOD. We must replenish our stock and send them to those people who are on our back order lists. We are out of them.

My soul is troubled because it is now necessary to ask you for money. A good record of over 30 years of Christian ministry without ever asking for any money has now bit the dust. I'm sorry.

But the other side of the coin may be bright, shiny, and glorious. I feel some of the Gideon spirit on my present efforts.

*The angel of the LORD appeared unto him (Gideon), and said unto him, The LORD is with thee, thou mighty man of valour. 13 And Gideon said unto him, Oh my Lord, if the LORD be with us, why then is all this befallen us? and where be all his miracles which our fathers told us of, saying, Did not the LORD bring us up from Egypt? but now the LORD hath forsaken us, and delivered us into the hands of the Midianites. Judges 6:12-16*

#### **THIS THY MIGHT**

*14 And the LORD looked upon him, and said, **Go in this thy might**, and thou shalt save Israel from the hand of the Midianites: have not I sent thee?*

#### **I HAVE NO MIGHT**

*15 And he said unto him, Oh my Lord, wherewith shall I save Israel? behold, **my family is poor** in Manasseh, and **I am the least** in my father's house.*

#### **I WILL BE WITH THEE**

*16 And the LORD said unto him, **Surely I will be with thee.***

This Bible lesson about Gideon teaches us that there are times when we have to start out on some great plan of God in our **own might** (use our own money or strength). When we run out of our **own might** (money) our GOD uses us to miraculously win a victory with only a small fraction of our own might (money).

I have never made a promise or a vow that I would **not** ask for money. I have said on many occasions, "Someday I may ask you for money."

That day has come.

Do you feel that my 30 year record of never asking anyone for money for this ministry is sufficient to indicate that a national ministry can be successful without money becoming the central issue in every meeting?

I hope so.

## DO YOU BELIEVE THE BIBLE?

### THIS IS HARD, BUT I BELIEVE IT.

And the **LORD** said unto **Satan**, Hast thou considered my servant Job, that there is none like him in the earth, a **perfect** and an **upright** man, one that **feareth God**, and escheweth evil? and still he holdeth fast his **integrity**, although **thou movedst** me against him, to **destroy him without cause**. Job 2:3

- YAHWEH talks with Satan.
  - Other name natures of God do not talk with Satan.
- Job was perfect and upright.
  - Job feared ELOHIM. It is not clear if Job feared other name natures of God.
- Job's integrity kept him from railing against ELOHIM when all hell broke loose in his life. No temper tantrums.
  - In all this Job sinned not, nor charged ELOHIM foolishly. Job 1:22
- Satan moved YAHWEH to destroy Job without a cause.
- Can you believe it? YAHWEH said He was moved by Satan to destroy Job for **no reason**. The death of your children will destroy a major part of

anyone' s life.

Two months ago while I was preaching and teaching in Brazil, I was led to share these scriptures from Job with a group of local leaders. These are very depressing scriptures, but the truth must be found. Job was praying desperately for his children, even offering sacrifices for them. YAHWEH entertained Satan and then YAHWEH fell for Satan's offer and YAHWEH allowed Satan to kill Job's kids. Read the shocking story in your own Bible in Job 1:6-2:10.

I had been teaching about the five different name natures of God. The Brazilian students responded to the teaching about the Names of God quite well. The local ministry had done a good job of teaching from my book EL ELYON NOW (The Names OF God). But they had been perplexed, just like I was perplexed about YAHWEH and His treatment of Job.

While I was speaking about God and Satan, the Holy Spirit directed my words and I heard myself saying,

**"If you stay in a YAHWEHistic church the influences there will destroy your children just like Job's."**

All the people in the audience understood and agreed. There was a great stirring among the Brazilian people as they all received the answers about the strange story of YAHWEH and Job. I received the answer too, because I had been just as perplexed. The event surprised me because I **taught** the answer and I **understood** the answer at the same time. I don't feel that I said those words, even though I did. The answer came from God. The story in Job is to teach us to remove ourselves from YAHWEH type churches and social environments as soon as possible.

That means we should move from a YAHWEHistic group that applies law, judgment, condemnation, punishment, and death to solve church problems. We should gather with believers who apply love, light, forgiveness, mercy, and life to solve social problems. Pray about it.
